## EDUCATIONAL & ARTS PROGRAM

### What's New!

Our 2022 Summer Arts Camp was a huge success. This year we chose to offer our students something different, and put on a real musical! Our students auditioned, attended dance and music rehearsals, learned their lines and blocking, and somehow managed to pull off an AMAZING performance of, "Leap Day: A New Musical" in just four short weeks.

Along with rehearsing for the musical, students also attended a Behind The Scenes! class, and a Set-Design Class. These classes constructed the entire set (largely out of cardboard), went to Goodwill for costume pieces, learned how to sew and alter clothing, created costumes, learned Stage Makeup, and made sure we had all of our props.

We are so proud of our students and team!

## Mosaic Spotlight: Olivia Singfield

MEET OLIVIA, OUR NEW 2022-2023 SITE COORDINATOR

Olivia was one of our Set-Design Teaching Artists this year at the Summer Arts Camp, and we loved her so much, that we asked her to join our team for the upcoming school year as Site Coordinator.

Olivia is a visual and vocal artist with a background in drawing, painting, photography, and ceramics. She is a gifted artist and teacher, but what we love most about her is the way she values each of our students through her intentional communication, clear expectations, and love. '
