## EDUCATIONAL & ARTS PROGRAM

### What's New!

The 2022-2023 school year is underway with 45 students enrolled and a waiting list. Students join us every day for homework assistance, arts classes, and cultural programming. This semester, students are offered the following arts classes: Cultural Dance, Musical Theatre & Drama, Cupcake Decorating 101, and Visual Art.

Our Cupcake Decorating Class participated in a "Cupcake Wars" style competition using the skills they have learned so far in class. The class was joined by a guest from Forking Sweets Bakery that judged the competition and provided cupcakes and cookies for the winners!

Our upcoming Arts Showcase will take place on December 9th at 5:30 pm. Please feel free to join us.
