

MOSAIC

EDUCATIONAL & ARTS PROGRAM

What's New!

2022 was filled with Field Trips, new art classes, tutoring, and family events. We have continued our typical after-school programming, provided a safe Summer Arts Camp, transitioned our weekly Food Relief Program to emergency needs, and restarted our Family Engagement Programs.

As we continue into 2023, we are currently hiring for a new Mosaic staff member, growing our Arts Partnerships, seeking weekly volunteers, enjoying our monthly Family and Parent activities, and looking forward to another jam-packed, creative artistic summer.
