EDUCATIONAL & ARTS PROGRAM

What's New!

Time is flying by...we are finishing up the end of our school-year program while planning ahead for our 2023 Summer Arts Camp. This year, we have a diverse group of Teaching Artists coming in to expose the children to a variety of art forms - drama, dance, storytelling, visual art, and music. We are bringing back our Kindergarten Camp which is a Kindergarten readiness camp that focuses on essential skills, classroom routines, arts enrichment, and English language exposure.

Please consider donating to our 2023 Summer Arts Camp via our website, PayPal, check, or by purchasing an item from our Amazon Wishlist. Snack donations can be dropped off in person.

HELP US FUND OUR 2023 Summer Arts Camp

Donations from our community supporters provide:

- camp scholarships
- compensation for our Teaching Artists
- Field Trips
- funds for our HS Internship Program
- Snacks & Supplies (see our Amazon Wishlist for specific needs)

OUR MISSION

"Through artistic experiences, cultural workshops, and academic programs, Mosaic Educational and Arts Program sparks joy, imagination, and cultural pride in youth whose second language is English, as well as provides holistic growth and resources for the whole family."

Mosaic Spotlight: Maihara and Nicole

Maihara and Nicole have been with us since 2014 - that's 9 years! They have grown up together at Mosaic. We asked them to reflect on Mosaic -

Maihara: "When I first came I was very shy and didn't talk a lot. Over the years, I've gained so much confidence. My favorite part about Mosaic is that they host many events that I enjoy going to with my friends. I've loved this part of my life."

Nicole: "Mosaic has made me the person I am today. While going to Mosaic, I met new people and made new friends. Going to Mosaic has made me a better person."
